SPORTING NOTES.

Charley Carr, the former Nap, is
reputed to be the highest priced man-
ager in the first league.

Tommy Hueston, world's pool cham-
pion, is considering an offer to meet
Johnny Kling in Kansas City.

More than sixty jockeys have been
disciplined for various offenses at the
winter tracks since last November.

Johnnie Davidson and Cornell have
made overtures to Michigan for a
gridiron contest next fall, and it is
possible that one of them will be ac-
commodated.

Clark Griffith and Frank Chance, the
player representatives on the baseball
rules committee, will attend the meet-
ings of the American and National
Leagues in New York next week.

Detroit bowlers are disappointed, but
not discouraged, over their failure to
bring the national tournament to that
city next year, and they declare that
they have at least clinched the 1910
congress.

The Johns Hopkins University Ath-
letic Association has decided to add
cross-country runs to its recognized
events. The first run is to be held on
Saturday, March 14th, and will be an
open handicap event.

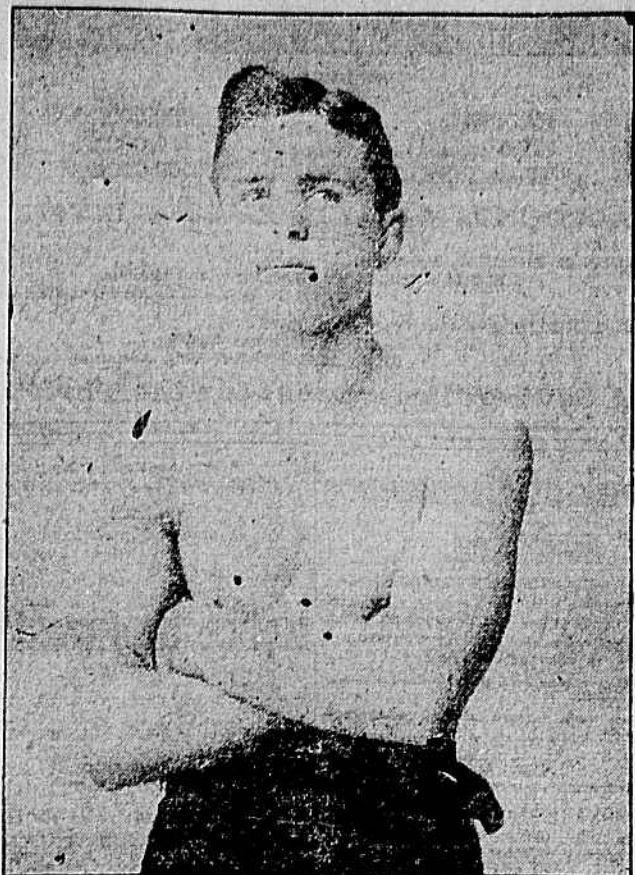

Dartmouth's basketball team has
played the Tigers three times in the past
few years, winning one of the games.
Five years ago Dartmouth outshouted
Princeton on its own field, but was
beaten. In 1905 Dartmouth beat the
Tigers, but the latter came back hard
the next year with a wallowing vic-
tory.

Five of the eight colleges in the
Western Conference have voted by mail
in favor of eleven-game football sched-
ules. Wisconsin and Cornell are the
two far which has announced its de-
cision in favor of five games, though
the Chicago faculty has hinted strongly
that it prefers the shorter program.
Chicago and Purdue are yet to be heard
from officially. Should Purdue favor
the longer schedule, the seven games
will rule next year. Three-fourths of
the colleges must vote in favor of the
longer schedule in order to have it
adopted.

ON THE DOWNWARD SLIDE

LATEST PICTURE OF BATTLING NELSON.

Although an 8 to 10 favorite in his fight with Rudolph Umholz at the Pa-
cific Athletic Club, Los Angeles, the other night, the Dane was outpointed,
the Boer having all the better of every round in the matter of blows ex-
changed. If Nelson was doing his best, this fight would indicate that he is
on the downward slide of the tobozgon, as Umholz, although some-
what of an unknown, has not been regarded as a first-rater.

NEW ATHLETIC BODY FORMING

New England Colleges Organizing
to Bring About Needed Re-
forms in Sport.

HARVARD AND YALE ARE IN

Hope to Correct Some of Pres-
ent Abuses, Including Sum-
mer Ball Evils.

WORCESTER, MASS., February 21.—
A new organization, which in effect
will be a New England Intercollegiate
Athletic Association, will be formed
and put into working order by next
May, if the movement started by Dart-
mouth, Williams, Amherst, University
of Vermont, Tufts and Wesleyan pans
out. The organization will also include
Yale, Harvard and Holy Cross. The
organization will be a central body,
which will regulate athletics at all
New England colleges in the mat-
ter of summer ball, the number of ath-
letic meets, "outside" games, etc., and
it is promoted to elevate the tone of
intercollegiate sports in New England
and eliminate all too apparent evils
now existing in the management of
collegiate sports.

Last week the representatives of the
six New England colleges belonging to
the National Intercollegiate Associa-
tion, namely, Amherst, Dartmouth,
Williams, Wesleyan, Tufts and the Uni-
versity of Vermont, met at Spring-
field to discuss summer baseball. This
meeting had no power to come to any
definite settlement of the question, but
it arranged to invite the other colleges
and universities of New England to a
second conference, with a view to dis-
cuss the formation of a New England
Association and all phases of profes-
sionalism, the cost and maintenance of
training tables and the reduction of
schedules. In speaking of baseball in
the summer term, Professor Nicholson,
of Wesleyan, suggested that college
players should sign a statement at the
beginning of the season stating that
they have never received money direct-
ly or indirectly for their services. The
list of signers of this statement might
then be sent to the different college
papers for publication, and in that way
a man might be checking collegiate
honors after a professional manner.
Wesleyan would practically brand himself as
a falsifier. If this method or one similar
to it is found impracticable, it was the
opinion of the meeting that the matter
could have to be dropped for a time
at least.

The meeting of the college represen-
tatives has awakened much interest
among the undergraduates of the New
England colleges, and the outcome of
the proposed larger meeting will be
awaited with much interest. Yale and
Harvard representatives who have been
asked to attend the meeting have con-
sidered the summer baseball question
separately, and they should be able to
furnish some valuable suggestions.

BETTING MEN HOPEFUL.

Speaker Wadsworth Opposed to Gov-
ernor Hughes's Bills.

ALBANY, N. Y., February 21.—It is
now generally known that Speaker
Wadsworth will oppose Governor
Hughes's bills to suppress race-track
gambling. There has been a wide-
spread suspicion that he would take
this course, but not until today did it
become finally known. This will be a
very important addition to the forces
already arrayed against the Governor.
To add the power of the Speaker to the
sentiment against the bills already
prevailing here may be decisive. Com-
ing at the moment when the victory
of the Kelcey forces over the Gov-
ernor seems assured, this announce-
ment has created a general belief that
the Governor's whole program is in
danger.

Predictions are now heard here that
the Governor will fail to get the anti-

gambling bills out of the Assembly
Codes Committee. A majority of the
members of this body are known to be
hostile to the measures, and it is
suggested that they may be killed
there.

The Speaker's position creates no
surprise. His father is a member of
the State Racing Commission; his
friends are practically all allied
against the measure.

To protect the young and irrespon-
sible from the temptations of race-track
speculation the Jockey Club will an-
nounce a new rule for operation on
Jockey Club tracks, which is devised
to meet the most potent argument of
those who are attacking betting on
race-tracks and seeking to make it a
felony under the Algonquin-Hart bills now
under consideration by the Legisla-
ture.

The racing people, without exception,
affirm that under no circumstances will
they spend a dollar to influence a vote.
This may be an honest pledge. There
is not a bit of evidence up to date
that any money has been improperly
used or that there is any plan to use
it; there is, moreover, a common
agreement that it would be dangerous
to attempt to use it, and dangerous to
offer it, and doubly dangerous to ac-
cept it.

DATE FOR WRESTLING MATCH.

Chicago to Have Hackenschmidt-Gotch
Contest on April 3d.

BOSTON, MASS., February 21.—Wil-
liam H. Whitling announced to-night

pionship of the world between Gotch
and Hackenschmidt, to be held at Chi-
cago on the evening of April 3d.

\$10,000, 60 per cent. to the winner and
40 per cent. to the loser. The wrestling

best two out of three falls.

NEWS OF THE BOXERS.

now been scheduled for Milwaukee, on
March 6th.

Freddie Welsh, of Philadelphia, are to
box ten rounds at Milwaukee to-
night.

weight, is coming East to give theatrical
exhibitions and box at the Eastern
Club.

ary 27th.

Loughrey, of Manayunk, are sched-
uled to box at the Sharkey Athletic
Club on March 3d.

Eddie Burns, a brother of Tommy
Burns, is trying his hand at boxing in
California and wants to fight any 115-
pound man in that State.

They have a new lightweight in
California whom they think will be a
champion. His name is Johnny Mur-
phy, and he has been matched to box
Cyclone Johnny Thompson at Colma on
March 7th.

place at the clubhouse.

LONG'S CONTRACT IN

All Contracts Now in Except Those of
Reeve and Timan.

Manager Lipe has received Pitcher
Long's contract, and now has in all
the contracts except those of Reeve
and Timan, which are expected to
come in within the next few days.
Long held out for more money, but
he is expected to be one of the four who
will do the honors for Richmond this
season.

Siehrer will not be here for the
opening of the season. He will hard-
ly be here before May 1st, and an-
other man will be procured to hold
down second base while Siehrer is
away. There is little fear that he
will not be able to maintain his place.
Work on the grandstand in the ball
park is progressing satisfactorily. Five
hundred seats will be added, and addi-
tions are being made to the bleachers.

SHEPPARD IN A REVENGEFUL MOOD

Great Runner Planning to Trick
the Amateur Athletic
Union.

TO RUN AFTER MIDNIGHT

American Record Holder Says
He Will Never Compete in
Philadelphia.

NEW YORK, February 21.—Melvin
W. Sheppard, the great middle distance
runner, is planning to steal a march
on the Middle Atlantic Association of
the A. A. U. and compete in the games
of the United Spanish War Veterans.
In doing this the Irish-American Ath-
letic Club is not going to violate
any rules. The games are sched-
uled for the evening of Saturday, Feb-
ruary 29th, at the Twenty-second Regi-
ment Armory, but the champion will
not start until one minute after mid-
night, by which time his suspension
will have expired.

Sheppard has been out since Janu-
ary 25th, on which day he was sus-
pended for trouble with Haskins in a
meet in Philadelphia. Since then he
tried to be reinstated so as to take
part in the big meets held recently, but
the officials of the Middle Atlantic As-
sociation said no.

Before picking the team to repre-
sent New York the championship com-
mittee of the local association sent let-
ters to the various athletes asking if
they would compete if named by the
committee. Sheppard was asked and
immediately replied that under no cir-
cumstances would he again run in
Philadelphia. Despite his refusal the
championship committee has named him
for the half-mile run.

When Sheppard was asked if he
could be persuaded to compete at the
meet he said: "No, I am not going to
Philadelphia on March 4th to compete.
I have made up my mind on that point
and nothing can induce me to alter
it."

When told that several other ath-
letes had also refused to accept the
offer to go Sheppard said: "I know
nothing about them. Whether they
remain or go is immaterial to me. I
have made no effort whatever to en-
duce anybody to remain away, but I'll
allow nobody to talk me into going
myself."

AMUSEMENTS

Academy—"The Arcadians."

Jefferson Auditorium—Italian Boys.

The Italian Boys and Albert Poland, en-
tertainer, will appear at the Jefferson Hotel
Auditorium to-night at 8:30 o'clock in a
popular concert. This is the next to the last
of the midwinter series of concerts,
and entertainments being conducted by the
Radio-Lyceum Bureau. The Italian Boys
will give solos on the violin, flute, clarinet
and harp, as well as orchestra selections.
Mr. Poland will give readings, charac-
ter sketches and impersonations. From the
press notices the company has been getting
at other points the entertainment to-night
will be one of the best of the season.
Reserved seats may be had at the
Cable Company, No. 213 East Broad Street.

Richard Carle's best musical production,
"The Mayor of Tokio," comes to the Acad-
emy on Monday, Mr. John Keene, the
leading spirit of the company. The
music is full of catchy songs, choruses
and comic ditties. The company numbers sev-
enty-five people, and carries its own orches-
tra and two large baggage cars filled with
the costumes and scenery.

Madam Emma Calve, who is to be pre-
sented by John Carle in this city on Wednes-
day at the Academy, has been called "the
greatest of Carmens," because her embodi-
ment of the central figure in Bizet's master-
piece of the world between Gotch
and Hackenschmidt, to be held at Chi-
cago on the evening of April 3d.

The match will be for a purse of
\$10,000, 60 per cent. to the winner and
40 per cent. to the loser. The wrestling
will be of the catch-as-catch-can style,
best two out of three falls.

ON TOBACCO MARKET

In anticipation of the largest trade
of the season for next week, the to-
bacco dealers are busily engaged in
shipping out every available empty
hogshead to their patrons in the coun-
try. Besides the tobacco which will
be shipped in over the railroads, they are
looking for an unprecedented number
of wagons from nearby points.

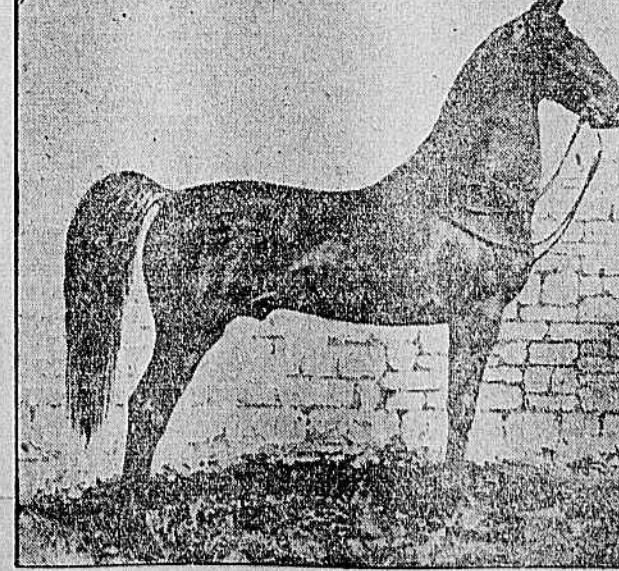

About 100,000 pounds were handled
on the floors yesterday at good prices.
Perhaps the best figure recorded was
\$39 for the best offered by Mr. W. A.
Gammon, of Hanover county, sold by
Mr. W. L. Hazell, of Shockoe Ware-
houses. Mr. Gammon's crop averaged
him a little more than \$2.

MISS WHITNEY NOT ENGAGED
TO COUNT PAUL ESTERHAEZY.

A NEW YORK, February 21.—Harry Payne
Whitney to-day denied the report that his
sister, Miss Dorothy Whitney, is engaged to
Count Paul Esterhazy, the Hungarian nob-
leman, who attended the Vanderbilt
Soiree wedding in this city recently.

Mr. Whitney said that the count is only
slightly acquainted with the Whitney fam-
ily, and that he does not know that his sis-
ter met the count except at the Van-
derbilt wedding.

already given much promise.
